

## -Design Concept

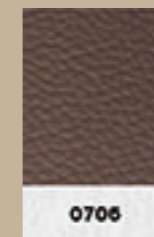

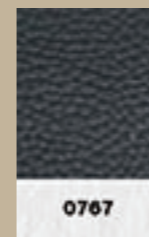

作品發想的起源來自於1994年的一部港片(國產淩淩漆)由周星馳為主角的電影，之所以名為-歲月是把殺豬刀-是因為周星馳的電影陪伴了許多人的青春童年，儘管隨著時光的流逝，這些陪伴無數人的回憶也不會消失，這也寓意著時間是過的如此的快，不知不覺就過了年輕的歲月。

The origin of the idea of the work comes from the 1994 A Hong Kong film (From Beijing with Love) directed by Stephen Chow The protagonist's movie, the reason why it is called - the years are The butcher's knife - because Stephen Chow's movie accompanied Accompanied many people's youth and childhood, although With the passage of time, these companions of countless people Memories don't fade away, which also means time It went by so fast, before I knew it young years.
