

ZENAR
ETHIOPIAN! MADE FOR THE WORLD

Solar Power Flow

light

Solar panel parameters

Chip: Masolé (CLGS)

Solar panel size: 250X180 mm

Rated Power: W

Open Circuit Voltage: 9.53V

Peak Current: 1.7A Max

Voltage regulator parameters

Button: Solar panel indicator light switch button

Indicator light: Blue indicator light in

power-on state

MICRO: Charge solar panel

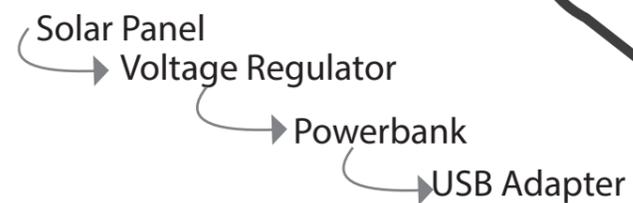

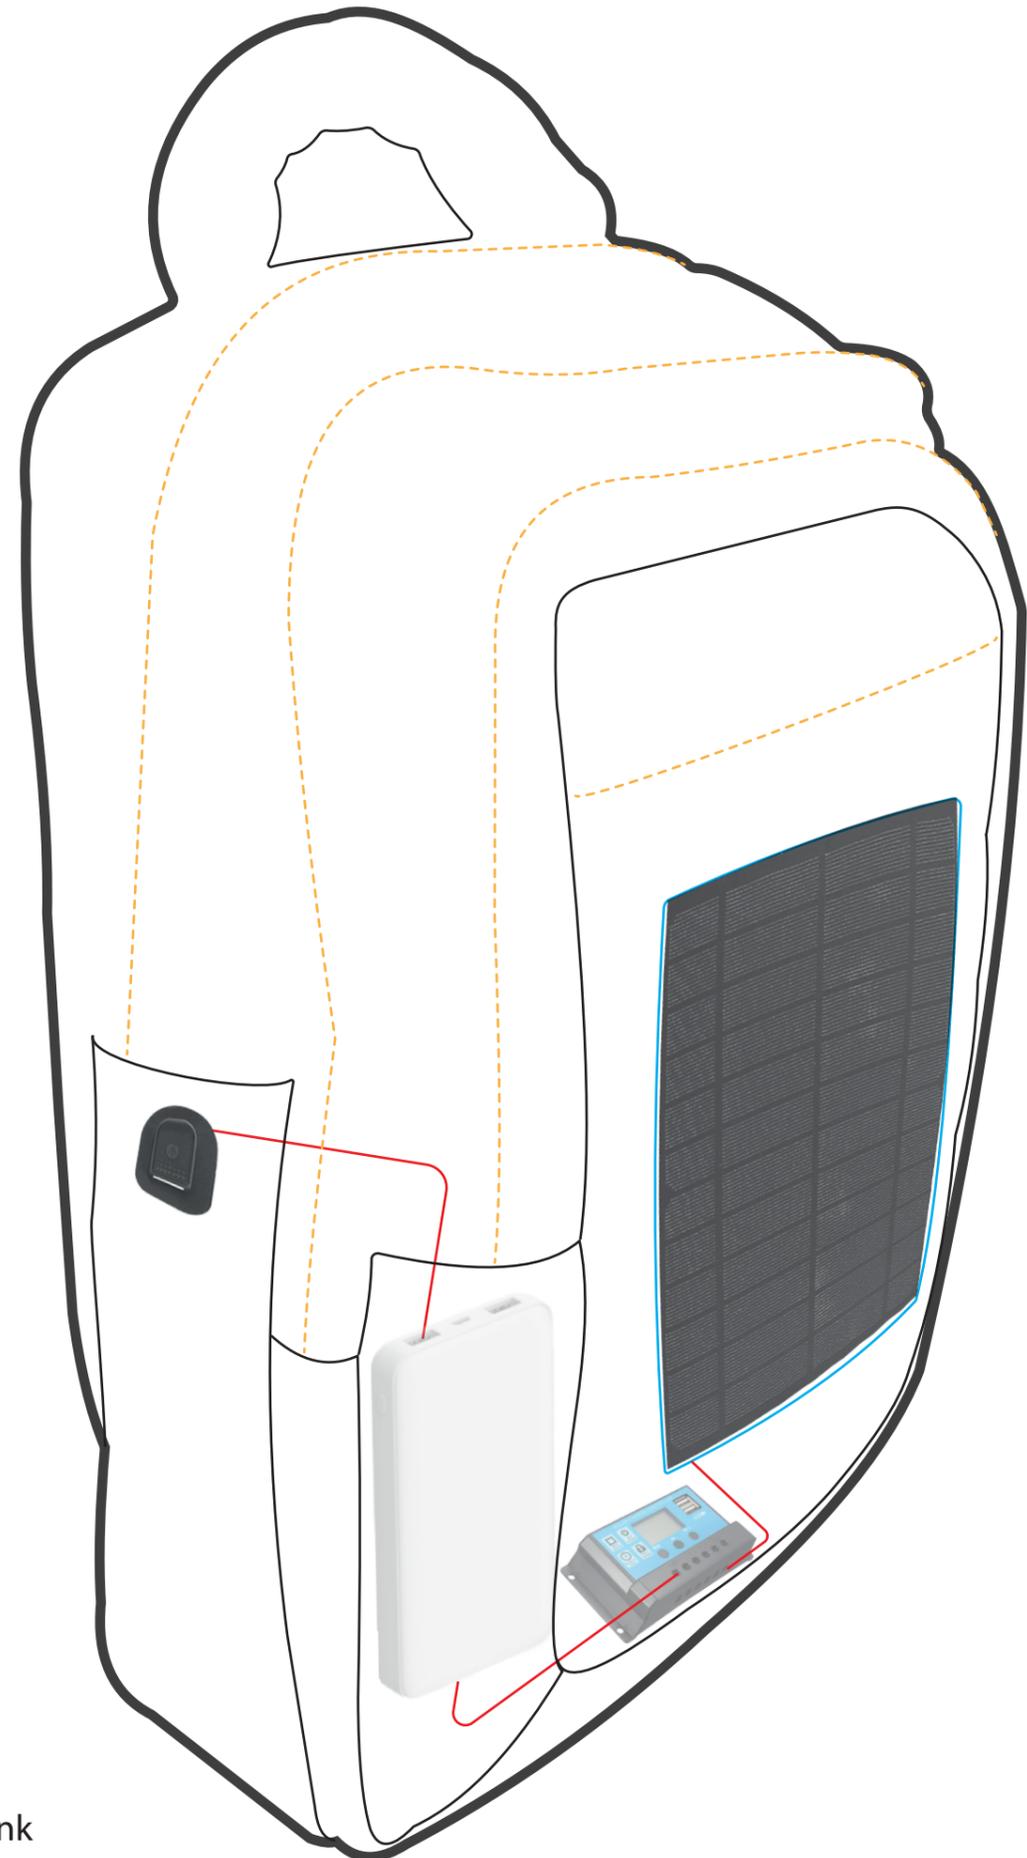

indicator light (Micro hole)

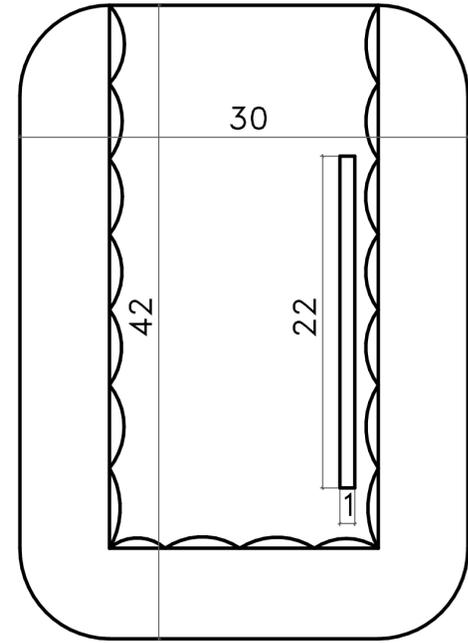

USB Adapter parameters

USB hole: Current output hole

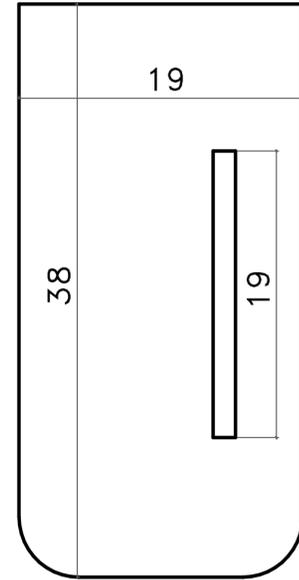

Micro hole: MIN USB Current input hole
