

# 設計理念

我從小就喜歡吃起司，所以我在想這個作品時第一個就是想到起司，起司發源地於阿拉伯，是阿拉伯人將牛奶和羊奶放入皮革器皿中，作為旅途解渴之用，繫在駱駝側面，在豔陽高照的沙漠上顛簸行走數小時後，去發現袋內的羊奶已經分成兩層，一層透明狀的乳清及白塊凝脂。

## Design concept

I like to eat cheese since I was a child, so when I think of this work, the first thing I think of is cheese. Cheese originated in Arabia. It is the Arabs who put milk and goat milk into leather containers as a way to quench their thirst. Tied to the side of the camel, after several hours of bumpy walking on the sunny desert, I found that the goat milk in the bag had been divided into two layers, a layer of transparent whey and
