

## 設計理念

法國鬥牛的個性友善、聰明、略為固執、活潑，他們一生只認一個主人，需要主人給予許多的關心與溝通，牠會漸漸得當你是主人，一直以來都很欣賞法鬥的特性，所以將它設計成鑰匙圈，希望喜歡法鬥的人能感受到他們一直在身邊。

## Design concept

The personality of French bullfighting is friendly, smart, a bit stubborn, and lively. They only recognize one owner in their life, and they need a lot of care and communication from the owner. It will gradually accept you as the owner. Designed as a key envoy circle, I hope people who like Fadou can feel that they are always by their side.
