SURVEY

“DO YOU KNOW WHAT PLANKTONS ARE?”

This survey was taken to see how much knowledge university students have on planktons.

**“I don’t know.”
Maria.**

**“Never heard
of them,
what are
they?” Izzy.**

**“YES, THEY ARE
MICROORGANISMS”
Scott.**

**“They are
viruses.”
Makia**

**“They are
something to do
with Bacteria”
Michelle.**

**“It is a
cartoon
character from
SpongeBob.”
Angel.**

Surprisingly, only one person knew what planktons were yet they are the main oxygen supplier of the planet Earth.
