

BOOT. SHOE NO 42

this is Tongue of the shoe

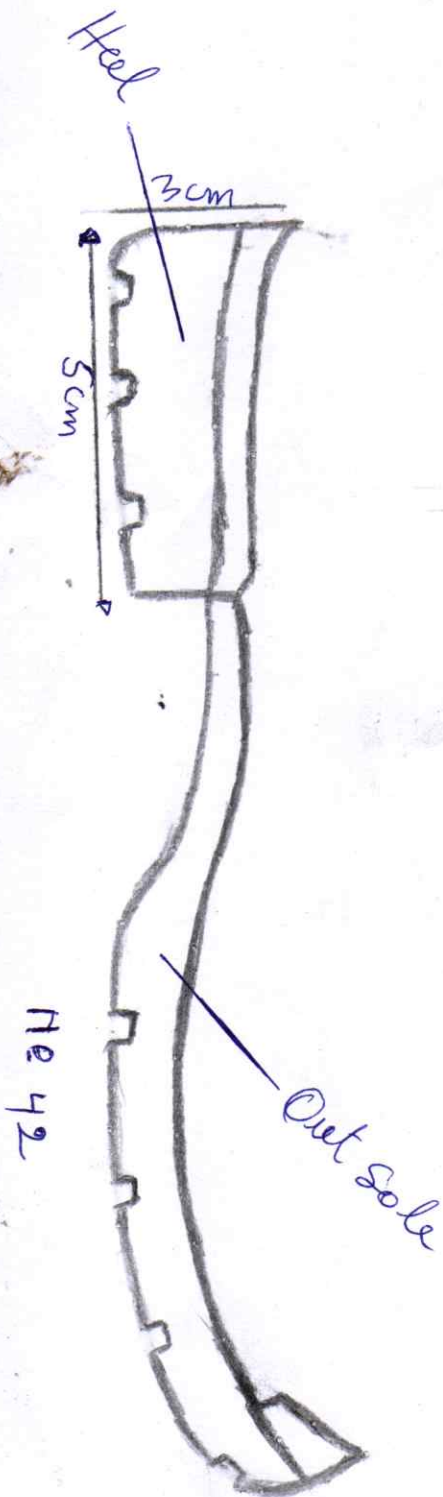

its Function is to help shoe
to be open and Close easily

So it is necessary to use Tongue
to open and Close shoe

This is Sole of my shoe

its Function is to Combine all parts of shoe together in order to fix the shoe and to make the shoe to be strong

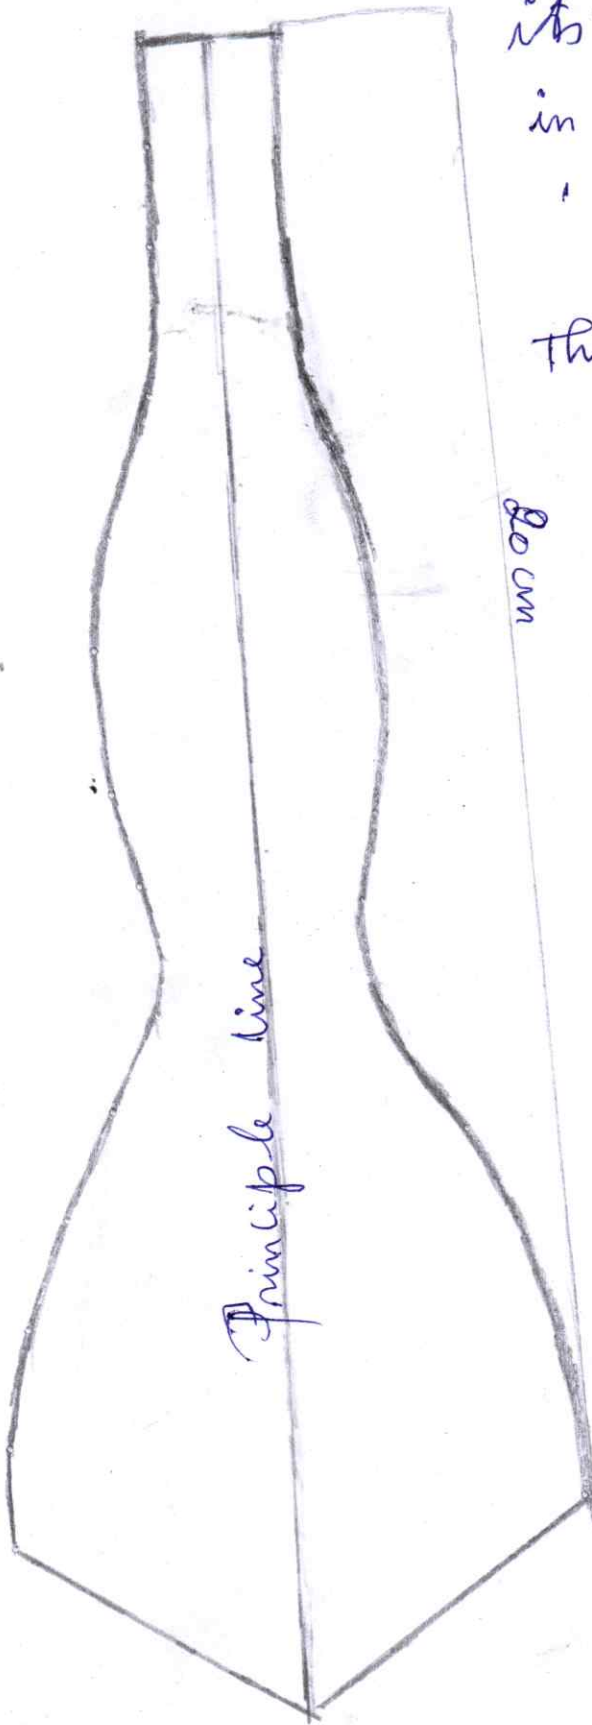

So without sole the shoe is not complete

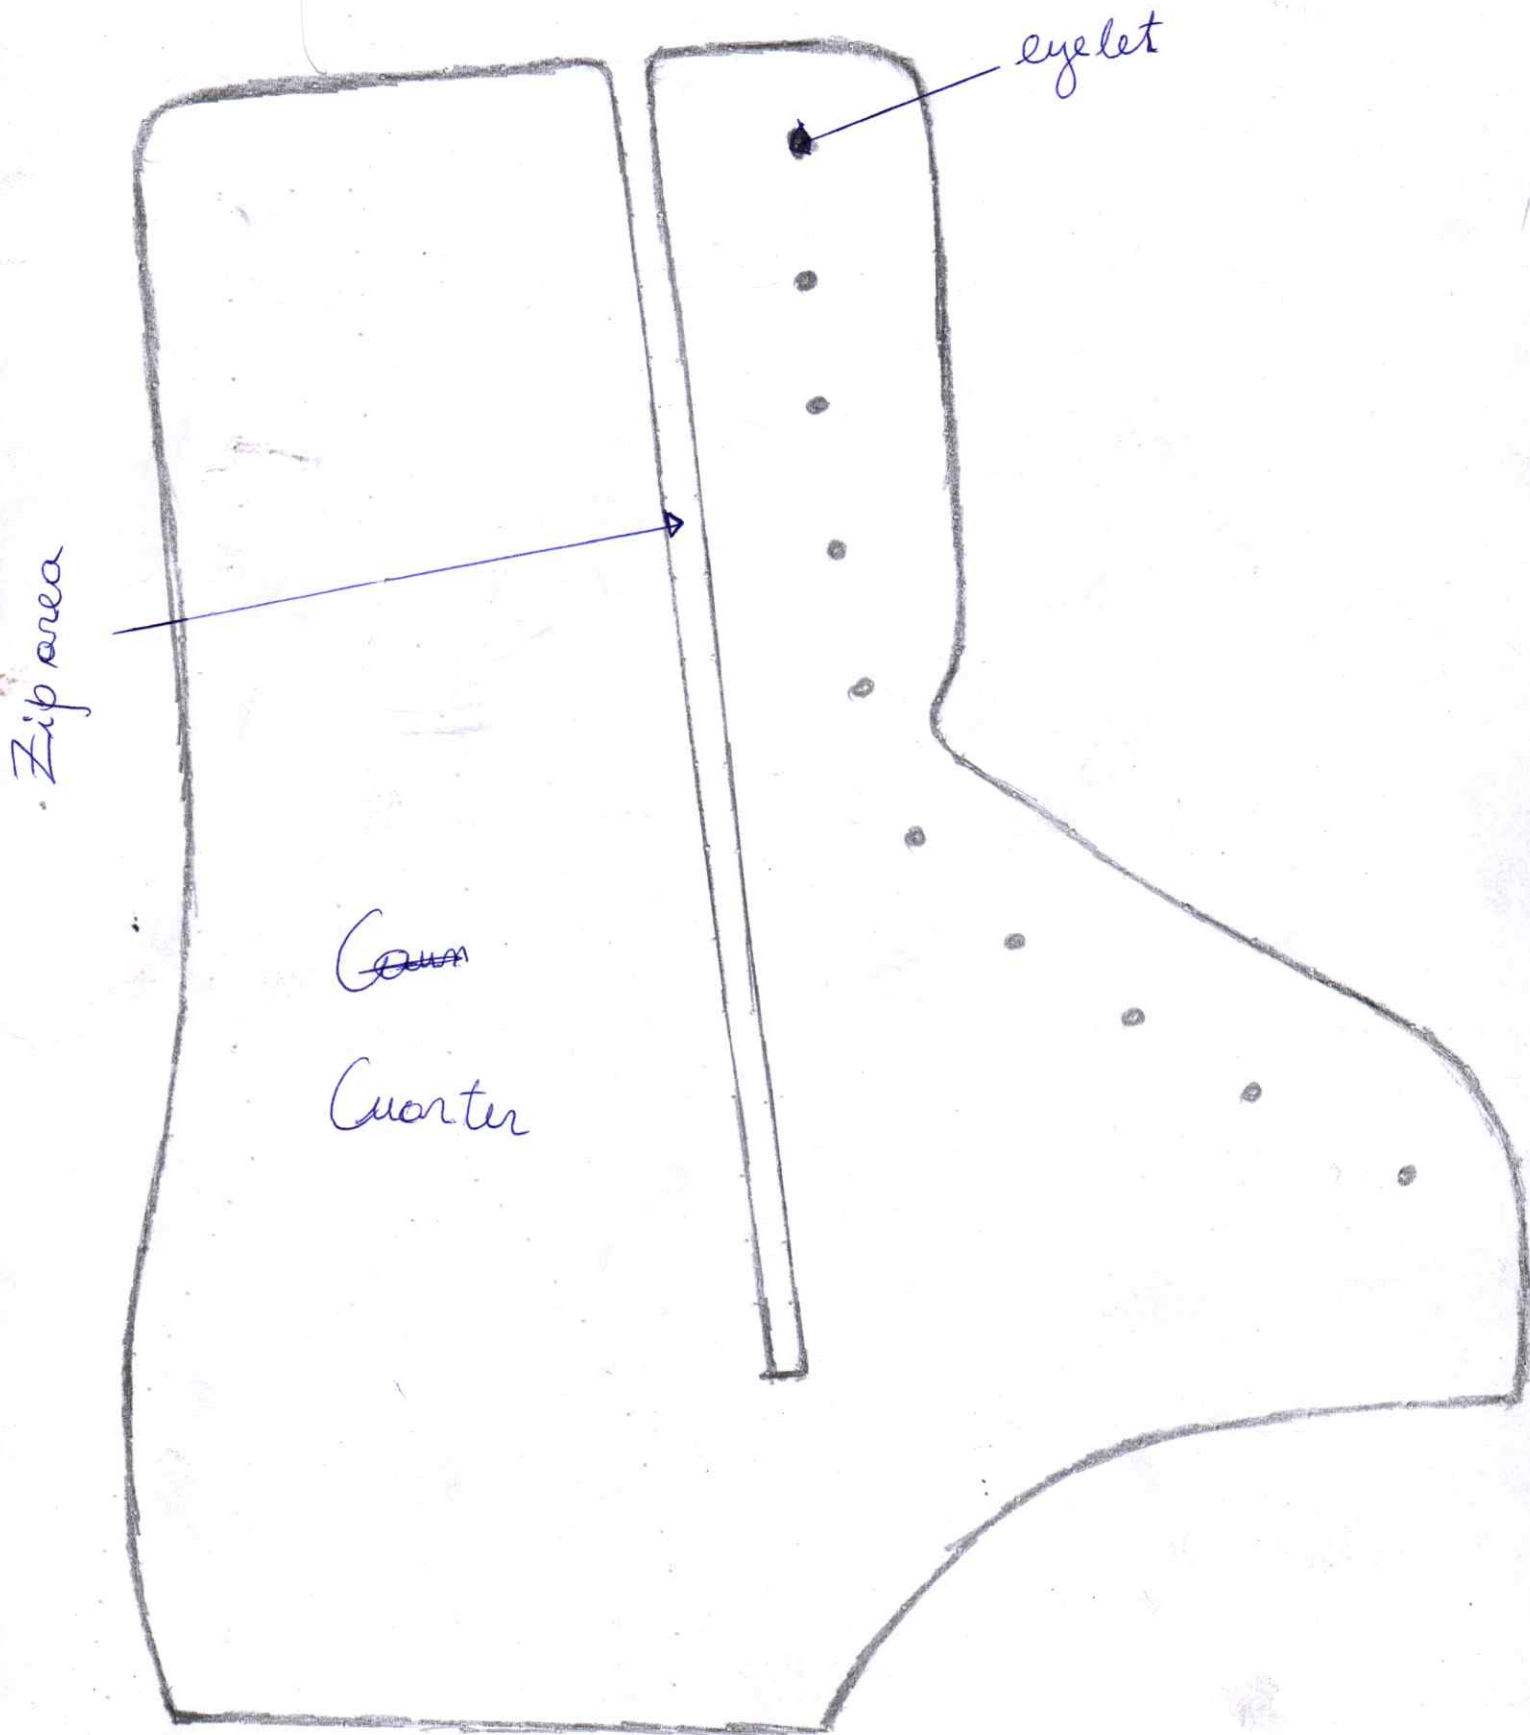

this is ~~Center~~ Counter part of shoe

its Function is to join the 2 Quarters
in order to make shoe

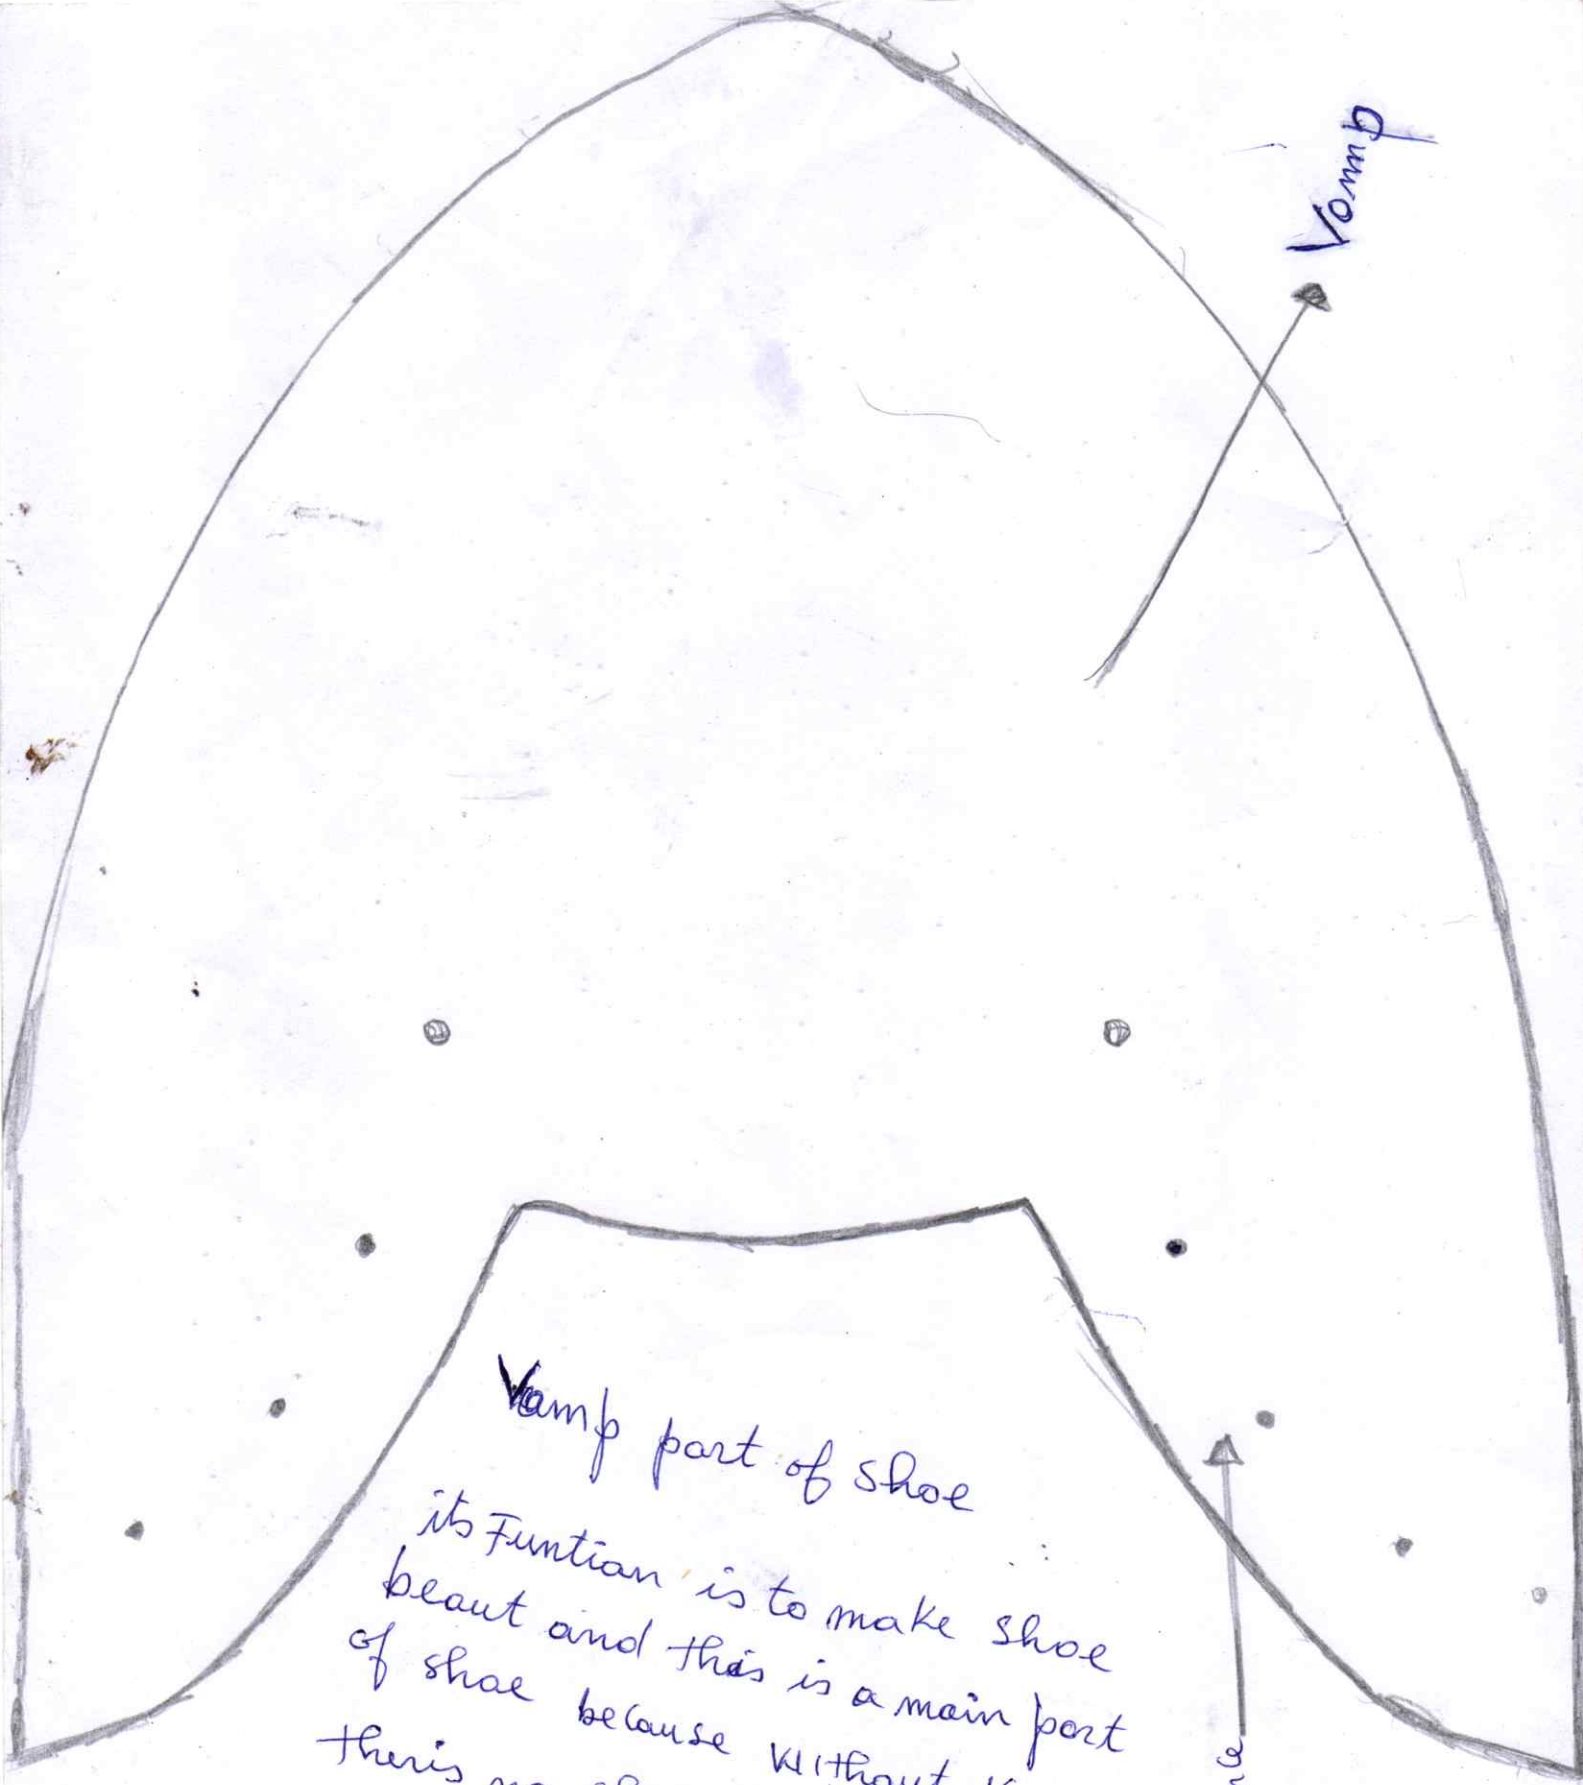

this principle line is used to combine
2 Quarters by fix on it

this is Quarter part of shoe its Function is to make Foot to be comfortable into shoe

the Function of Zip is to close and open the shoe

Vamp

Vamp part of shoe
its Funtian is to make shoe
beaut and this is a main part
of shoe because without Vamp
theris no shoe

allowance
