THF RFASON FOR **CHOOSING THE TOPIC**

Water lilies are a flower called Nymphaea. According to Greek mythology, it means a feminine soul living in waters such as wells, water roads, ponds.

In Vietnam, lilies symbolize the lightness and pure "near the mud without stinking the smell of mud". Despite hatching on mud, flowers still retain their own beauty and fragrance. Likes are the loving words of the couple. Give each other to love couple more passionate and beautiful beside the romance. love life. strong desire of young people.

Lilies are abundant in country and it has been deep into the subconscious of the Vietnamese people in general and the Southern people in particular throughout the history and folklore. Besides the beautiful lilies, the image of farmers looking, caring and harvesting is a arduous labor process of the people to reap.
