2. Full List of Materials

- 50% cattle leather
- Colored leather patchwork pieces
- Cowrie shells
- Metallic embroidery thread
- Aari embroidery needlework materials
- Gold-tone metal hardware
- Magnetic snap closure
- Detachable strap hooks
- D-rings
- Foam handle padding
- Interior lining fabric
- Reinforcement board
- Edge paint
- Metal rivets
- Decorative metal studs

Construction Notes

1. Leather geometric patches are assembled before body construction.
2. Cowrie shells are hand stitched onto the central panel.
3. Aari embroidery is manually crafted by artisans.
4. The bag body is reinforced for a couture structured finish.
5. Edges are folded and painted for luxury finishing quality.
