

MEN KEY ITEM BAG

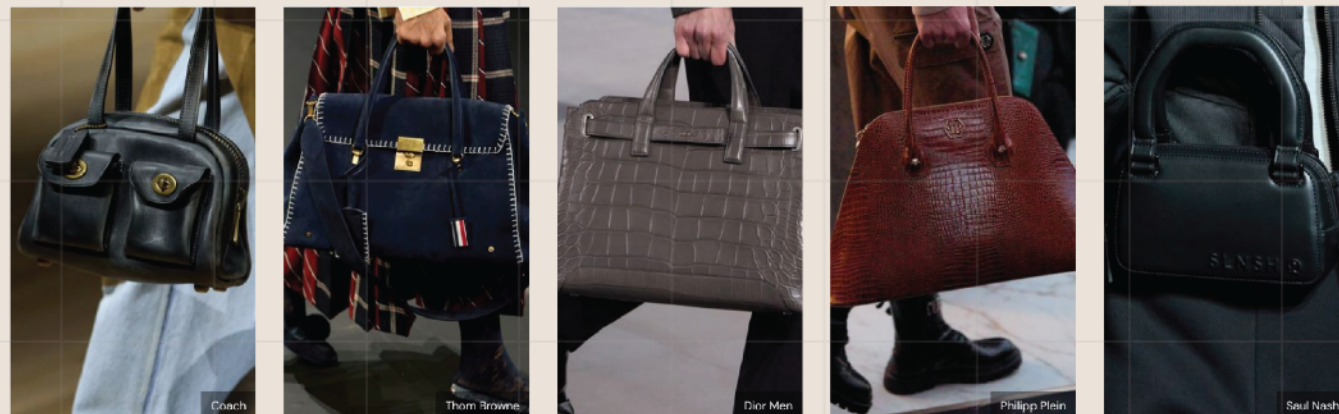

THE SLOUCHY SHOULDER BAG

The #TopHandle Bag works into #Redefining Masculinity themes. Add commercial value with a medium to large scale that provides ample storage for work or travel-related activities.

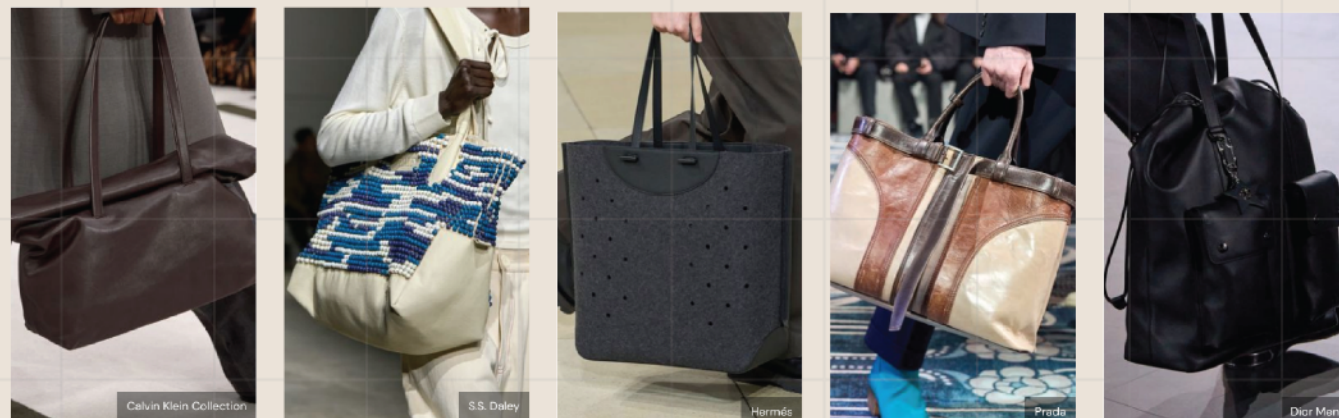

THE TOP HANDLE BAG

Unstructured #SlouchyShoulderBag styles will prove crucial. Practical carry-all qualities offer a #RelaxedFormal alternative to the #EverydayTote, ideal for #WorkExperience looks.

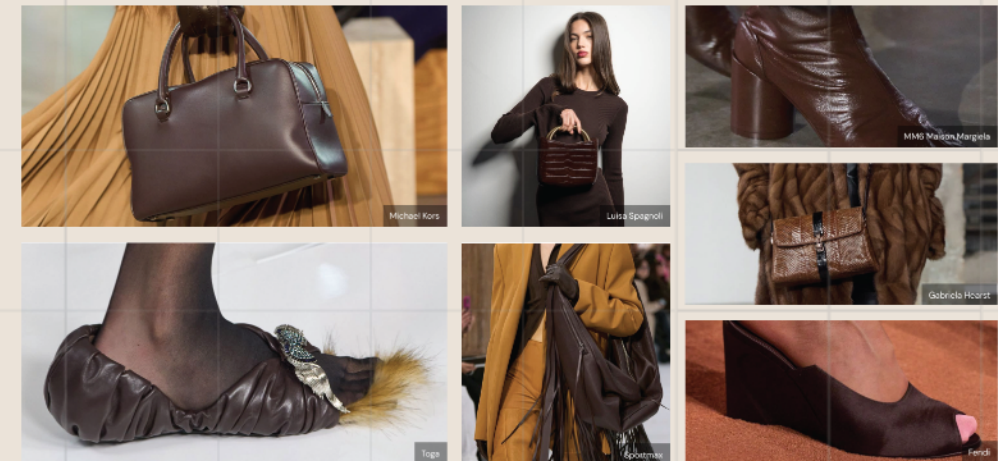

THE TOTE

Update the #Everyday Tote in line with Robust Luxury themes, as predicted in our Key Items Fashion. Focus on high-quality materials and #ReworkedClassics details.
